Csúcsboraink azt a kategóriát képviselik, amelyben minőségbeli hibák a lehető legritkább esetben fordulnak elő, kedves vendégünk esetleges nemtetszése ezért valószínűleg ízlésbeli kérdésen alapulhat. Ezért, ha a bort sommelier-nk megkóstolta és nem talált benne minőségbeli hibát, akkor 200.000 Ft feletti palackjainkat felbontás után nem lehetséges visszaküldeni.

*In the league of our top wines quality deficiencies are very rare, so if our dear guest doesn't like the wine by a chance, it's probably the matter of individual taste.*

*So if after opening a bottle that costs at least 200.000 HUF our sommelier didn't find any deficiency it's not possible to send it back.*
